Dear Mr. Zubayer Islam,

I have a great interest with your advertisement for Web development that published in jobskillbd. I would like to apply for the position of Web development.

I have experienced in Computer Science & ENgineering department. I have worked as Student Prefect in Daffodil International University. In that institution I worked. All the colleague praised me highly. I have a huge experience in Student Prefect because when I started my higher study from then I am practicing about this. So I am sure that I am the perfect person for this job.

I completed B.sc in Computer Science & Engineering from Daffodil International University. I had excellent performance there. I have also creative and innovative idea for this sector. I am capable for working with under pressure. I am able to work in a team.

I am aware that you will receive a large number of applications for this job, but I would very much appreciate the opportunity to demonstrate my capabilities to you in person.

I believe that I have a lot to offer your organisation. I am keen to develop my professional skills and look forward to discussing my application with you at an interview. I have enclosed a copy of my resume for your consideration. I can be contacted at all times on the details provided above.

Thank You for your consideration and I look forward to hearing from you.

Sincerely,

Md. Asif Rahman
